SUBJECT: KUWAIT RESPONSE TO IAEA REPORT REQUEST

REF: STATE 210913

1. (C) The Ambassador raised the issue of IAEA Director Dr. ElBaradei's upcoming report on Iran's nuclear program (reftel) with Foreign Ministry Undersecretary Khaled Al-Jarallah during their July 27 meeting.

2. (C) Jarallah was supportive of the USG position, and said he welcomed the reaction of the international community, which he described as "tough" and "united," to Iran's continued obfuscation with regard to its nuclear program. Jarallah said Iran was "damaging its interests in the international community by not listening to (the international community's) recommendations....We hope they got the lesson from Iraq," he added.

3. (C) Comment: While it was unclear what specific action the GOK will take on this front, Kuwait is clearly supportive of our efforts to seek a report by August 15. End Comment.
